

DRUMSTRUCK

AT SILVERMIST, CAPE TOWN

SOME INFO ABOUT THE DRUMSTRUCK EXPERIENCE:

WINE TASTING

The Drumstruck experience starts with a wine tasting, where you will learn about and taste some of the finest wines from the Constantia valley. The wine tasting is outside on the gardens overlooking Hout Bay and is presented by the owner and winemaker at Silvermist Gregory Brink Louw. There is a non-alcoholic option where we taste 3 amazing rooibos iced teas prepared by Gregory's wife Tessa, who grows all the rooibos on her farm on the West Coast. The wine tasting is 30 minutes long and includes 4 amazing, limited production wines.

DRUMSTRUCK SHOW

This is followed by our internationally acclaimed interactive African drumming show. Drumstruck, which is a beautiful celebration of African traditional music - and you'll get to try your hand at playing the drums! The show plus wine tasting is 1h30 - 2h long.

TRADITIONAL SOUTH AFRICAN BRAAI

After the show, you are invited to share in an optional braai, which includes three meats, traditional sides like pap, chakalaka and garlic bread, a range of tasty salads, and dessert, with available vegetarian options. The braai takes place over lunch and in the early evening at sunset, and you will be entertained by our world-class marimba band while you eat.
